

Testimonial Letter from Greg and Nancy

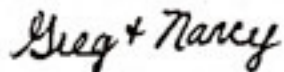

Dear Parents or Parents-to-be,

If you are reading this letter then you are probably in search of a daycare provider for your child. While we parents all have the “perfect” provider in mind when we go looking for daycare for our children, searching for the right match sometimes involves compromises. Not so with Martha Goetze. We believe Martha fills all the wishes and requirements of a terrific provider. Her qualities include:

- First hand knowledge of child development.
- Formal schooling in child development.
- A genuine love and concern for those in her care.
- A genuine interest in the well being of the families she serves.
- A stimulating environment for both social and cognitive growth.
- Creative and fun age-appropriate activities.
- A well-balanced and varied nutritional program.
- Consistent daily activity including daily fresh air activities.
- A loving and consistent discipline plan.
- Daily documented reports for parents concerning their child.

As you can see, we are thrilled with Martha. She is the fourth provider we have employed throughout our parenting years and she outshines any other we have ever seen. You would be lucky to have your child under her care. Please feel free to call us if you have any further concerns.

Sincerely,

A handwritten signature in black ink that reads "Greg + Nancy". The signature is written in a cursive, slightly slanted style.
