

Testimonial Letter from Kayla's Parents

"Martha Goetze provided excellent care to our little girl, Kayla Nichole. Kayla and Martha established a wonderful relationship over the course of four very special years.

Martha has such a calming and tender approach, children are just simply drawn to her. Martha provided a very safe and secure environment for our child, with an emphasis on education. The daily status reports, artwork projects and special celebrations continue to serve as fond memories.

We just couldn't have been happier with the care which we received and we truly feel fortunate that we found such a responsible, caring and loving day care provider in Martha Goetze.

Sincerely,
John and Anna
Overland Park, KS"
